### Local Department.

Special Notice to Subscribers.

This is the last number of the SEN-TINEL that will be sent to subscr bers predict that two months hence Samuel Sulwho have not paid their subscription livan will wish he had stuck to his virtumoney. Of course we do not include one resolution, and resisted the seductive arts in this business men with whom we of a Democratic Committee. have running accounts. We have mentioning to do, except to send out a commentioning to do, except to send out a comment of the usual places of holding Elections therein, on the arrears, and we now propose to stop with open arms, and to listen to his speech of on the that is left us. We cannot afford to send our paper to any man for NOTH-AND DESCRIPTION OF THE PROPERTY OF THE PROPERT

WE refer our readers to the new advertisement of Ridenour & Beall in our paper to-day. For a full stock of goods at cheap prices we . Continue the treatment was the remark advise those seeking good bargains to call at of an eminent surgeon who had been for some shis store.

her crystal nights is with us in all her glory, contortions and frowns. Like a skilful phy-We learn from the Dayton Journal that frost sician with large firmness he has enforced has made its appearance in various parts of his prescriptions, and is rapidly, subdising the Minmi valley.

We have not brand of any in this locality war. Obstinate and inflammatory cases de-up to this date (Friday, 16th) though the nights mand severe treatment and powerful remappear almost sold enough. The farmers will odies. undenbedly take advantage of the fair fell under my observation, I bled the patient weather to get well along with their fail work copiously, and he recovered. Abraham Linsuch as cutting fodder, sowing grain, etc.

We understand that some of our friends at

Jamestown are not satisfied with our omission
to say anything concerning the recent Fair at
and cultivated for ages, and which are bethat pleasing little fown. If we have not coming more formidable and morbid by hereddone a fair share of pulling for our friends in juary transmission, set at deliance his mild that locality, we despair of ever doing a fair and pursuasive means, until from necessity, share in the fisture. We did everything in an angle of the fisture of the discussions and subdue the disease. I dely any candid mind, after Fair, putting it for three consecutive weeks, community after unalyzing the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the saidle than those which have marked his adoption to the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt the course of Mr. Lincoln, to suggest any other or adopt the course of Mr. Lincoln, to suggest any other or adopt the course of Mr. Lincoln, to suggest any other or adopt the course of Mr. Lincoln, to suggest any other or adopt the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt any plans more consistent and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt any other or adopt and the course of Mr. Lincoln, to suggest any other or adopt and the course of Mr. Lincoln, to suggest any other we could have given more puffs than we did; with a weekly paper we gave all that we could. But we said nothing about the Fair found independent of the could be attended with insection. An impetance, we did statement, would be attended with insection. But we said nothing about the Fair found independent the could be attended with insection. gratuitous puffing at that. With a daily paper after it was over. Well, what good would saying more have done then ? Would it have sent more pesploto the Fair ? Or would it have put more greenbacks into the peckets of the man-more greenbacks into the peckets of the managers ? We suppose not

of the county during the Fair, and were there, ble institutions. fore deprived of the supreme pleasure of paying it a visit, and believing in Dr. Franklin's maxim, that "It is better to say nothing when you have nothing to say", we were silant, but we have since heard several reports from the Pair, and as "it is never too late to do good," we will right here and now make a desperate effort to make amends for past defi-

ciencies: The recent Fair at Jamestown-one of the profilest listle towns we ever saw-was indeed a great success, especially when we cousider the very unpropitions state of the couniry. Every body, except a few absentees-was there and saloyed himself luxuriously. The has recently become bitterly opposed exhibition of stock was very good indeed to him, Mr. Chusener, its conductor The grounds are pleasantly located the weath- denouncing the General in the strong-Jamestown is a fixed institution.
